

Telematics Subscription Cancellation Form

By submitting this form, you will cancel your OnCommand Connection telematics subscription, offered free for the first two years of your vehicle ownership.

This telematics subscription enables your access to OnCommand Connection Advanced Remote Diagnostics, a set of tools designed to drive greater UPTIME benefits. These tools include comprehensive vehicle reports, proactive diagnostic and repair planning assistance plans, e-mail alerts, and more, all geared toward reductions in diagnostics times, greater repair efficiency, a more informed fleet maintenance decision process, improved communications and lower total cost of ownership.

By canceling this service, you will not have remote access to any data on your vehicles or their health. Please note that the pre-installed OnCommand Connection Device may continue to collect data regarding the performance of your vehicle and that data may be used by OCC Technologies, LLC and shared with Navistar for purposes of product and service development and improvement as further set forth in the Privacy Policy located at <https://info.oncommandconnection.com/terms-of-use-and-privacy-policy>.

Please complete all required (*) fields and submit when completed.
