LoneStar® is good for your business and bad to the bone. Its head-turning exterior proudly recognizes classic International® design heritage, yet LoneStar is engineered to meet today's regional-haul demands for optimal uptime, productivity and performance. The spacious DriverFirst™-inspired cab features intuitive controls, high-visibility gauges and dozens of other smart, driver-tested ideas to keep drivers comfortable and in control. And that bold chrome grille and sleek hood offer more than good looks - the aerodynamic shape delivers greater fuel efficiency than conventional long-nose trucks.
